

## VOLLEYBALL AUSTRALIA REFEREE COMMITTEE

### Role Descriptions

#### CHAIR:

- Assigning duties to the appointed VARC members
- Annual Referee Rankings
- Quality Control and Assurance
- Overseas appointments and reports
- Governance
- FIVB Annual Register
- Stakeholder engagement and relationships, including quarterly reporting to VA.

#### EDUCATION:

- Level 1 to 4 Course Development – developing and reviewing courses for officials and providing relevant communication to ensure all officials and prospective officials are aware of what is required
- Development of a review committee to establish consistency with education courses
- Assist Volleyball Australia in the structure of the education framework and ensuring it provides quality education

#### PATHWAYS:

- Career Development – helping individuals plan their pathways based on their preferences
- Accreditation Activities – identifying what is required for accreditation and how we manage
- Collaboration – creating links with international bodies, other volleyball commissions and other refereeing bodies (both internal and external to volleyball)
- National Officiating Academy – developing the framework/content for the Academy and providing operational oversight to ensure it achieves its objectives

#### TECHNICAL:

- Rules of the Game updates and reviews – providing advice on rule changes and interpretations and ensuring dissemination to relevant stakeholders
- Technical Investigations – engaging relevant officials to undertake investigations arising from stakeholder enquiries, e.g. suitability of venues, applicability of rules for particular events, and providing recommendations
- Officiating for Women – working with state referee committees to identify and promote women into refereeing and identifying and applying for grants that target this group
- Technical Papers – engaging relevant officials to develop papers that discuss particular skills and/or other aspects of game from an officiating perspective
- Events – Working, via the VARC Secretary, with the VA Event Managers to ensure a quality event from an officiating perspective. This includes open and transparent processes associated with referee selection and appointment
